Hi Mr. Passaniti,

I don't know if I did all you requested, but I gave it a shot!

I used brackets instead of underlining to show areas of the claims

That were amended, I did this on the two original claim sheets.

I did try to phone you, Each time I would dial your phone  
number, I would get an out of order message.

I did leave you a message on the general office line after holding on for  
over twenty minutes.

I would like to resolve this, if you need to call me I listed my phone  
number at the bottom. Thank you.

Best Regards! Jerry Trainello
